(+66) 90 624 1666 | thitathit@fluxthit.me | [linkedin.com/in/fluxthit](https://www.linkedin.com/in/fluxthit)

PROFILE

Bangkok-based graduate with Bachelor of Arts in Motion Pictures and Mass Communication minor. Worked freelance in motion pictures production and post-production since 2018. High familiarity with industry tools and is not afraid to dive deep into technical realms. Skilled in programming and developed multiple scripts and applications to assist the post-production workflow, increasing productivity and minimizing turnaround time.

Areas of expertise include: Video Containers & Codecs, Digital Audio, Digital Cinema, Compression, Color Science

WORK EXPERIENCE

KANGJOR (FILM FESTIVAL)

03/2021 - Present

Post Production Coordinator, DCP Mastering Technician & Projectionist

Bangkok, Thailand

Key Contributions:

- Provide technical guidance to both the production and post-production teams, including establishing technical guidelines of production assets and final deliverables to ensure compatibility with the DCP creation process.
- Lead and assist the DCP creation team to operate over 11 short films. Responsibilities include verifying that the mastered DCP conforms to DCI specifications and standards that will ingest and play correctly at the cinema.
- Developed the [fluxrename](#) app to aid in batch file management, reducing the tedious work of renaming files.
- Developed the [fluxBITC](#) tool to automate the burnt-in timecode proxy creation and media conversion process.

KANTANA SOUND STUDIO CO., LTD.

05/2021 - 07/2021

Sound Editor - Internship

Bangkok, Thailand

Key Contributions:

- Sound Effect Editor for the 6-episode [Bangkok Breaking series](#) on Netflix.
- Sound Effect Editor for an unreleased Indonesian horror feature film.
- Sound Effect Editor for the [Eng Chang series trailer](#) on Disney+ Hotstar.

TALENT 1 PRODUCTION CO., LTD.

01/2020 - 08/2020
